

# NEW TRAINING AND WORKFORCE DEVELOPMENT OPPORTUNITIES

The Hill District has been the center of attention as one of the largest redevelopment projects in the City of Pittsburgh. The Lower Hill Development Project has moved from planning to reality and it will take a strong, well-trained workforce to complete the task. The First Source Center, Massaro Construction Group, CM Solutions, and RSG, Inc. have collaborated to create a workforce development program to train minority applicants preparing them to work on the project and join trade unions.
